A. Sick Leave. All administrators under contract shall be entitled to ten (10) days sick leave if employed on a ten (10) month basis and twelve (12) days sick leave if employed on a twelve (12) month basis each school year as of the first official day of said school year whether or not they report for duty on that day. Unused sick leave days shall be accumulated from year to year with no maximum limit.

Whenever a administrator's absence due to personal illness exceeds the annual sick leave and accumulated sick leave days, the Board of Education may, in its discretion, permit additional days for an extended illness on a case by case basis during which time the cost of employing a substitute will be deducted from the administrator's salary in accordance with N.J.S.A. 18A:3-6. In the case of employees whose term of employment is, for any reason, less than a full school year, the sick leave entitlement may be granted in the discretion of the Board of Education which shall be calculated at one (1) day per month or major fraction of a month of actual employment.

Additional leaves of absence without pay may be granted at the discretion of the Board of Education. Sick leave referred to herein will be defined in applicable New Jersey Statutes now or hereafter in effect.

An administrator who has ten (10) years' service in the Haddon Heights School District and retires from the school district after June 30, 1992, shall be reimbursed fifty (50) per cent of the daily rate of a substitute teacher in the year of retirement for accumulated unused sick days. This reimbursement will be made for each day of accumulated sick leave to a maximum of 200 days with the first fifty (50) days being deductible so that the maximum number of days for which reimbursement will be made is 150 days. Employees would become eligible for this benefit only upon reaching retirement age and conditions as established by the New Jersey Administrators' Pension and Annuity Fund. In the event of the death of an eligible employee before retirement, the payment would be made to the employee's estate or specified beneficiary.

B. Personal Leave of Absence. The Board realizes that emergencies other than illness occasionally make it necessary for administrators to be absent from school. The Board establishes the following list as maximum days administrators may be absent for other acceptable reasons during a school year and is therefore not accumulative.

(1) An allowance of up to five (5) days' leave

shall be granted for the death of a father, mother, spouse, child, brother, sister, mother-in-law, father-in-law, son-in-law, daughter-in-law, maternal/paternal grandparents. This leave shall be consecutive and commence no later than the day following the death with out prior approval of the superintendent or within ninety (90) days of death with prior approval of the superintendent.

- (2) An allowance of up to three (3) days' leave shall be granted for the death of an other relative. - (4) Leave will be granted for the full time that a administrator participates in jury duty.
- (5) An allowance of up to three (3) days' leave with prior approval by the Superintendent shall be granted for reasons of a personal nature. These days are for personal business which cannot be handled outside of school hours. If the reason for personal business is considered by the administrator to be of such a confidential nature the reason for requesting the personal business day may be submitted directly to the Superintendent for consideration.
- (6) Educational leave may be granted with prior approval of the Superintendent for:
 - (a) Attendance at conference for professional improvement.
 - (b) Representing the Haddon Heights School District and/or teaching profession at civic, public or educational meetings.

 - (d) Serving on evaluation committees.

For the protection of the employees and for proper payroll accounting and audit, every absence must be accounted for in writing and reported to the Superintendent on the proper form.

Absences not covered by any of the above provisions will cause salary reductions at the rate of 1/200th for each day's absence.

C. Maternity Leave / Parental Leave.

(1) A pregnant administrator may apply for a leave of absence. Upon request, such leave shall be granted prior to the anticipated date of birth and may continue for a reasonable period of time to a specific date following birth as set forth herein or in accordance with Board policy. A pregnant administrator shall be entitled to use sick leave pursuant to the provisions of the negotiated agreement and in accordance with The Family Leave Act for pregnancy related illness or disability. If a administrator has insufficient sick leave to cover the period prior to twenty (20) days before through twenty (20) days subsequent to the date of birth, then the leave shall be without pay or benefits unless contrary to the Family Leave Act.

(d) Any administrator seeking a leave of absence hereunder shall apply to the Board for said leave to begin at any time prior to birth. At the time of application, the employee shall specify in writing the date on which she wishes to commence leave and the date on which she wishes to return to work after birth. The Board will require a certificate from a physician in support of the requested leave dates. The physician's certificate is subject to agreement by the Board's physician.

Where medical opinion is supportive of leave dates requested, such leave will be granted, except that the Board may change the requested dates upon finding that the granting of a leave for those dates would interfere with educational continuity and provided that such date change by the Board is not medically

contra-indicated.

The commencement or termination of such dates may be further extended or reduced for medical reasons upon application to the Board. The Board will require a certificate from a physician in support of this request. The physician's certificate is subject to agreement by the Board's physician. Such extension or reduction will be granted for a reasonable period of time except that the Board may change the requested date upon finding that such extension or reduction would interfere with educational continuity and that such date change by the Board is not medically contra-indicated.

(e) Unless a different date is specifically permitted under this Article or the Family Leave Act, the termination date of a leave of absence hereunder shall be September 1st or the beginning of the second semester only. Notification of intent to return from Maternity Leave, or resignation, shall be made in writing to the Superintendent of Schools sixty (60) days prior to the scheduled termination of the leave of absence. (g) A statement from a physician certifying that the administrator is physically able to return to duty shall be furnished to the Board before a administrator is permitted to return from maternity leave.

(h) Notwithstanding the language herein, a request for a finding that the administrator's pregnancy interferes with the performance of her duties shall be documented in writing and referred through the Superintendent to the Board of Education. (k) Except as provide herein, no administrator shall be barred from returning to duty after the birth of her child solely on the grounds that there has not been a time lapse between the birth and her desired date of return.
